**February 2019 - Featured Manufacturer: Lawler Manufacturing Co., Inc.
M&M Distributes the Finest Names in the Industry!**

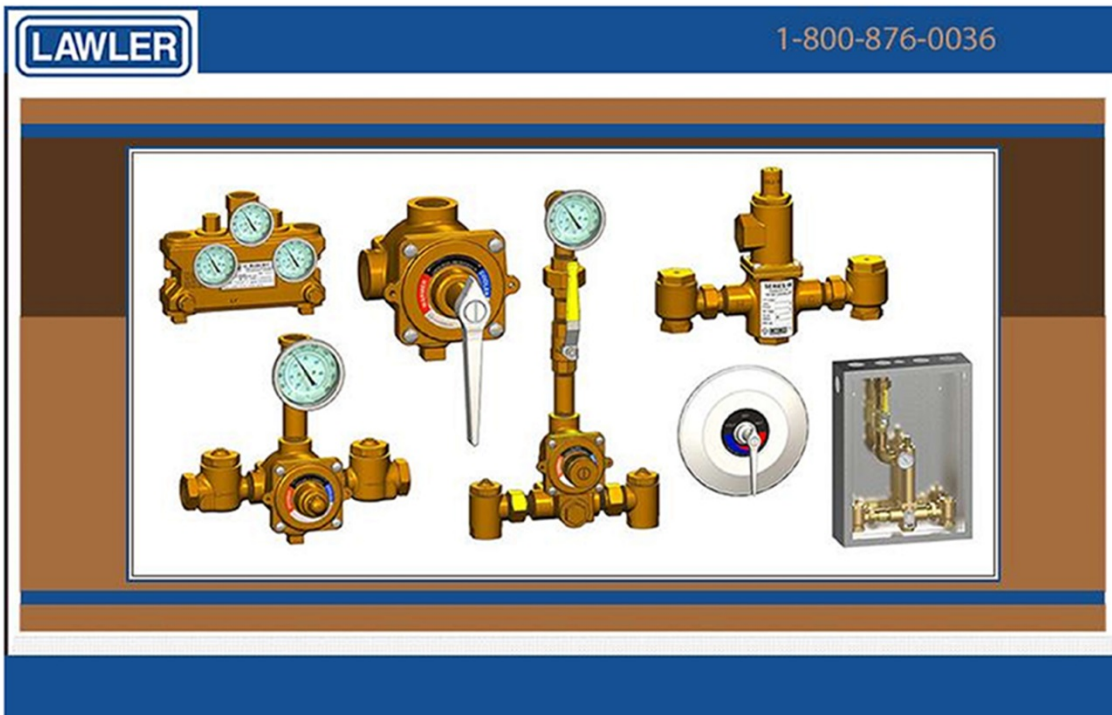

About Lawler:

We are pleased to announce that Lawler is our newest addition to the fine lines we represent!

In business for over a century, Lawler produces the highest quality innovative, stable, and reliable tempered hot water and emergency tepid water solutions. Product includes single valve, manifold, pre-piped tempered hot water systems, tepid water systems, and emergency valve technology. Under the counter, digitally controlled smart systems, mixing valve recirculation units, point-of-use shower valve series, and thermostatic mixing valves are all Lawler solutions for your high quality tempering needs.

M&M Control offers a full line of Lawler products. For additional product information, please refer to our [Lawler](#) pages or give us a call today!

Lawler has the tempered water solution you need for your application!

Call us today for assistance at 1-800-876-0036 or visit our Web site to see our other fine lines as well at www.mmcontrol.com. Thank you! All of us at M&M look forward to hearing from you.

Sincerely,
Paul Fionda
VP Operations
