About Spirax Sarco:

Founded in 1910, Spirax Sarco provides a comprehensive range of products for the steam and condensate loop anywhere in the world. Spirax Sarco has a global network of over 1,300 dedicated industry engineers in 34 different countries, and over 100 years of experience in the industry. Spirax Sarco is committed to providing control solutions that help customers achieve operational improvement through their production capability.

How far will your steam solutions sustain your business?

M&M Control offers a full line of Spirax Sarco products. Ask us about the Spirax Sarco 25P, a self-actuated pilot operated pressure regulator, or about the variety of steam traps available such as thermodynamic, inverted bucket, and float and thermostatic, as well as boiler controls, control valves, vacuum breakers, strainers, isolation valves, pipeline ancillaries, and liquid drain traps. Refer to our Spirax Sarco pages at www.mmcontrol.com/SpiraxSarco.php or give us a call today at **1-800-876-0036**.
